**SUNSHINE BAKERY PACKAGING CO., LTD**

Specializing in high-class cake board For a better cake

# About Us

SUNSHINE PACKINWAY Packaging (established in 2013) is a baking packaging enterprise that integrates research and development, production, and sales. It is located in Jinnoda Industrial Zone, Huihuan Street, Huizhou, with an 8000 square meter factory and 5-10 production lines.

Our main business is customized baking packaging for cake boards/boxes/racks, supporting personalized design of size, thickness, color, shape, and brand logo, and providing vertical integrated one-stop supply services.

The company is equipped with advanced equipment and scientific management system, and has internationally certified BRC, BSCI, SGS and other certificates. The product is exported to over 100 countries and regions such as Europe, America, Southeast Asia, Africa, etc. through a precision marketing network, and has been widely recognized in the international market. Adhering to the concept of "quality-oriented and attentive service", we continuously cultivate professional teams and establish mutually beneficial cooperative relationships with customers to help enhance brand value.

## Work with Sunshine

Since 2013, we have been proud to provide products to **300+** customers in **100+** countries worldwide. In addition, we also provide one-stop services such as transportation, warehousing, customized packaging, product integration, design, and product development, saving customers more time and energy.

## Our Strengths

Our company has many authoritative certificates, including **BSCI**, **BRC**, **FSC**, **LFGB** and **FDA**. These certificates not only reflect our outstanding achievements in quality management, food safety and corporate social responsibility, but also provide solid quality assurance and comprehensive safety protection for our cake trays and boxes.

Our advantage lies not only in high-quality products, but also in providing customers with a **one-stop service: Design, Sourcing, Warehousing, Coordination, Logistics, Customized Packaging, and New Product Development.**
